1. The Department of History, in accordance with Article 8 of the "National Chung Hsing University Mentorship System Implementation Measures", has established the "Department of History at National Chung Hsing University Mentorship System Implementation Measures " (hereafter referred to as "these measures").

二、本系導師由講師以上之專任教師兼任為原則。

2. The departmental mentors are principally served by full-time faculty members at the level of lecturer or above.

三、本系採班導師制。大學部每班二位導師，碩士班一年級一位導師，進修學士班每班一位導師，由系主任協調聘任。

3. The Department operates under a class mentorship system. Two mentors are assigned to each class in undergraduate program; one mentor is assigned to the first-year students of master's program; and one mentor is assigned to each class in the Continuing Education Bachelor's program. Mentors are appointed by the Department Head through coordination.

四、大一班導師以於大一開課教師為優先考量，大二以上則不限定需在當年級有開課之教師。

4. Regarding the appointment of mentors for the first-year undergraduates, priority will be given to faculty members who have taught for first-year courses. For the second-year or above, there are no requirements for teaching in the respective year.

五、碩、博士班導師除碩士班一年級外，由研究生之指導教授兼任。

5. For master's and doctoral programs, except for first-year students of master's program, mentors are served by the students' supervising professors.

六、本辦法經系務會議通過後，報院轉請校長核定後實施，修正時亦同。

6. These measures are implemented upon approval by the Departmental Affairs Meeting, submission to the College, and approval by the University President. Any amendments thereto shall be subject to the same process.
